Dear Senator Hayakawa:

Thank you for your letter of March 29 on behalf of your constituent, [ ] concerning the case of Raul Edgardo Borelli Cattaneo in Argentina.

Unfortunately, Mr. Borelli is one of the many who have disappeared in Argentina and about whose welfare and whereabouts we have been unable to obtain information.

Accounting for the disappeared is one of the most difficult human rights problems facing the Argentine Government and one which we hope the Argentines will eventually resolve. At the same time, we will continue to use our influence privately and in international fora to encourage Argentine officials to make whatever information they may have available to the families of missing persons.

With cordial regards,

Sincerely,

ARGENTINA PROJECT (S200000044)
